### PART III - NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

EMCORE Corporation (the "Company") will be unable to file its Quarterly Report on Form 10-Q for the quarterly period ended December 31, 2011 (the "Form 10-Q") prior to the filing deadline of February 9, 2012 because the Company needs additional time to complete its financial statement closing process. As reported in a Current Report on Form 8-K furnished by the Company on October 24, 2011, the flood in Thailand has greatly impacted the Company's primary contract manufacturer and this event has had a significant impact on the Company's Fiber Optics operations. The Company has yet to complete its evaluation of the financial and non-financial impacts associated with this event that will be recorded and disclosed in the Form 10-Q. This delay could not be cured without unreasonable effort or expense. The Company plans to file its Form 10-Q within the five-day period provided under Rule 12b-25(b)(2)(ii).

### PART IV - OTHER INFORMATION

(1) Name and telephone number of person to contact in regard to this notification:

**Mr. Mark Weinswig**

**(505) 332-5000**  
(Telephone Number)

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s). ☒ Yes ☐ No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? ☒ Yes ☐ No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

During the three months ended December 31, 2011, the Company expects to report a decrease in revenue when compared to the corresponding period for the last fiscal year primarily due to the impact from the Thailand flood. However, revenue for the quarter is an amount within revenue guidance provided by the Company. The Company also expects to recognize (i) losses associated with damaged inventory and equipment due to the Thailand flood and (ii) expense associated with its Suncore joint venture. The Company's financial statements are still being prepared since the closing process has not been completed.
