Unless contrary instructions are indicated on the proxy you submit, all shares represented by valid proxies received pursuant to this solicitation (and that have not been revoked in accordance with the procedures set forth below) will be voted in accordance with the recommendation of the Board of Directors as follows:

- **FOR** approval of an amendment to the Certificate of Incorporation to authorize an additional 50 million shares of common stock (Proposal I).

In the event a shareholder specifies a different choice by means of a properly submitted proxy, such shareholder’s shares will be voted in accordance with the specification so made. In addition, your shares will be voted as the proxyholders may determine in their discretion upon any other proposals as may properly come before the Special Meeting.

OUTSTANDING VOTING SECURITIES AND VOTING RIGHTS

As of the close of business on the Record Date, the Company had [_____] shares of no par value common stock (“Common Stock”) outstanding. Each shareholder of record on the Record Date is entitled to one vote on all matters presented at the Special Meeting for each share of Common Stock held by such shareholder. The presence, either in person or by properly executed proxy, of the holders of the majority of the shares of Common Stock entitled to vote at the Special Meeting is necessary to constitute a quorum at the Special Meeting. Virtual attendance at the Special Meeting will be limited to shareholders as of the Record Date, their authorized representatives, and guests of the Company. You will be able to attend and participate in the Special Meeting by visiting www.proxydocs.com/EMKR, where you will be able to vote electronically and submit questions. In order to attend, you must register in advance at www.proxydocs.com/EMKR prior to the deadline of May 10, 2021 at 5:00 p.m. (Eastern Time). Upon completing your registration, you will receive further instructions via email, including your unique link that will allow you to access the meeting and will also permit you to submit questions. Please be sure to follow the instructions on your Proxy Card and/or Voting Authorization Form and subsequent instructions that will be delivered to you via email.

If your shares of Common Stock are registered directly in your name with American Stock Transfer & Trust Company, LLC (“AST”), as of the Record Date, you may vote:

- (1) *By Internet:* Go to www.proxypush.com/EMKR and follow the instructions;
- (2) *By Telephone:* Call toll-free to 1-855-635-6594 and follow the instructions;
- (3) *By Mail:* Complete, sign, date and return your proxy card in the envelope supplied to you with the written proxy materials; or
- (4) *In Person:* Attend the Special Meeting virtually and vote at the Special Meeting in accordance with the instructions set forth in the paragraph above and subsequent instructions that will be delivered to you via email.

If your shares are held by a bank, broker or other nominee, you are a beneficial owner of those shares rather than a shareholder of record. If you are a beneficial owner, your bank, broker or other nominee will forward you a complete set of the proxy materials, together with a voting authorization form. As a beneficial owner, you have the right to direct your bank, broker or other nominee how to vote your shares by following the voting instructions provided by your bank, broker or other nominee. Please refer to the proxy materials forwarded by your bank, broker or other nominee for instructions regarding the methods available to vote your shares (Internet, telephone or mail). Please note that if your shares of Common Stock are held by a bank, broker or other nominee and you wish to vote in person virtually at the Special Meeting, you must obtain a “legal proxy” from the bank, broker or other nominee that holds your shares giving you the right to vote in person virtually at the Special Meeting, and you must register in advance of the deadline of May 10, 2021 at 5 p.m. eastern at www.proxydocs.com/EMKR.

Except as noted below, if you are a holder of record, you may use the Internet or any telephone to transmit your voting instructions or, if you received a printed set of the proxy materials, you may vote by mail by completing, signing, dating and returning the proxy card enclosed with the proxy materials you received before the polls close at the Special Meeting. If you are a shareholder of record, your proxy, whether submitted by Internet, telephone or by mail, may nevertheless be changed or revoked at any time prior to the voting thereof at the Special Meeting at your discretion either by (i) sending to the Company’s Secretary a written notice of revocation, (ii) by voting the shares covered thereby in person virtually at the Special Meeting in accordance with the instructions set forth above, on your Proxy Card and/or Voting Authorization Form and subsequent instructions that will be delivered to you via email or (iii) by submitting another proxy dated subsequent to the date of the initial proxy. Please note that virtual attendance at the Special Meeting will not by itself constitute revocation of a proxy. If you are a beneficial owner, please refer to the voting instructions provided by the bank, broker or other nominee that holds your shares for information about the deadline for voting and instructions on how to change or revoke any previously submitted voting instructions.

[Table of Contents](#)

The vote required for approval of each of the proposals before the shareholders at the Special Meeting is as follows (and as summarized in the table below):

For Proposal I — approval of an amendment to the Certificate of Incorporation to authorize an additional 50 million shares of Common Stock, an affirmative vote of holders of a majority of the outstanding shares of Common Stock entitled to vote at the Special Meeting is required to approve such proposal. Each shareholder may vote for, vote against or abstain from voting on such proposal. Abstentions are not treated as votes cast at the Special Meeting; and therefore, will have no effect on the outcome of the vote for Proposal I. Abstentions will be counted for purposes of determining whether a quorum is present at the meeting. A broker non-vote occurs when a broker, who has not received voting instructions from the beneficial owner of the shares, does not vote on a non-routine proposal because the broker does not have discretionary authority to vote on such proposal, but the broker does exercise its discretionary authority to vote the beneficial holder's shares on at least one "routine" matter at the Special Meeting. Proposal I is considered a "routine" matter under applicable stock exchange rules. If you hold your shares through a broker and do not provide voting instructions to the broker, then under applicable stock exchange rules governing your broker, the broker may vote your shares in its discretion with respect to Proposal I above. Broker non-votes will be counted for purposes of determining whether a quorum is present at the meeting.

INFORMATION CONCERNING THE PROXY SOLICITATION

The cost of preparing and making available this Proxy Statement, the Notice of Special Meeting of Shareholders, and the proxy is borne by the Company. In addition to the use of the Internet, employees of the Company may solicit proxies in person, by telephone, by mail, via the Internet and by other means of communication. The Company's employees will receive no compensation for soliciting proxies other than their regular salaries. Solicitation of proxies may also be made by directors, officers or regular employees of the Company. The Company may request banks, brokers and other custodians, nominees, and fiduciaries to forward copies of the proxy materials to their principals and to request authority for the execution of proxies. The Company will reimburse such persons for their expenses in so doing. We have also retained Alliance Advisors LLC to assist in the solicitation of proxies and related services, for a fee estimated to be approximately \$20,000 plus an amount to cover expenses. In addition, we have agreed to indemnify Alliance Advisors LLC against certain liabilities arising out of or in connection with their engagement.

PROPOSAL I:

APPROVAL AND ADOPTION OF AN AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION TO AUTHORIZE A TOTAL OF 100 MILLION SHARES OF COMMON STOCK

Background

Our Certificate of Incorporation currently authorizes a total of 50 million shares of the Company's Common Stock. After careful consideration, our Board has adopted and is recommending that our shareholders approve and adopt a proposal to amend our Certificate of Incorporation to authorize an additional 50 million shares of Common Stock, which would result in total authorized shares under our Certificate of Incorporation of 100 million shares of Common Stock and 5,882,352 shares of preferred stock. The text of the proposed Certificate of Amendment to our Certificate of Incorporation, which we refer to as the Certificate of Amendment, is attached as Appendix A.

Our Board determined that the proposed amendment was advisable and in the best interests of the Company and its shareholders and unanimously approved and adopted, at a meeting held on March 24, 2021, the amendment, subject to shareholder approval at the Special Meeting. The adoption of the Certificate of Amendment is expressly conditioned upon the approval of the Certificate of Amendment by our shareholders. Accordingly, if we do not receive the required shareholder approval for the Certificate of Amendment, we will not adopt the Certificate of Amendment.

If shareholders approve and adopt the amendment, it will become effective upon the filing of a Certificate of Amendment to our Certificate of Incorporation with the State Treasurer of the State of New Jersey, which the Company intends to file shortly after the Special Meeting.

Text of the Proposed Amendment

Approval of this Proposal I will result in the following changes to the Certificate of Incorporation:

The FOURTH Article of the Certificate of Incorporation would be amended and restated in its entirety to read as follows:

"FOURTH: The total number of shares of Capital Stock of the Corporation shall be 105,882,352 shares of which:

- A. Of the Capital Stock, 100,000,000 shares shall consist of Common Stock which shall be entitled to one vote per share on all matters on which holders of the Common Stock shall be entitled to vote.
- B. Of the Capital Stock, 5,882,352 shares shall consist of Preferred Stock which may be divided into such classes and such series as shall be established from time to time by resolutions of the Board of Directors and filed as an amendment to this Restated Certificate of Incorporation, without any requirement of vote or class vote of shareholders. The Board of Directors shall have the right and power to establish and designate in any such Class or Series Resolution such priorities, powers, preferences and relative, participating, optional or other special rights and qualifications, limitations and restrictions as it shall determine."

Appendix A to this Proxy Statement shows the proposed changes to the FOURTH Article of the Certificate of Incorporation resulting from the proposed amendment, with deletions indicated by strike-outs and additions indicated by underlining.

Reasons for the Proposed Amendment

After careful consideration our Board determined at its meeting held on March 24, 2021, subject to shareholder approval, to approve the amendment to the Certificate of Incorporation to authorize an additional 50 million shares of Common Stock as set forth in Article FOURTH of the Certificate of Incorporation as described above. In making this decision, the Board considered it advisable and preferable to have a sufficient number of unissued and unreserved authorized shares of Common Stock to provide us with flexibility with respect to our authorized capital sufficient to execute our business strategy and to enhance shareholder value without delay or the necessity for a special shareholders' meeting. At the same time, the proposed authorized share increase was designed, based on a survey of shares of Common Stock authorized and shares of Common Stock outstanding at our peer group companies, to strike the appropriate balance so that we do not have what some shareholders might view as an unreasonably high number of authorized shares of Common Stock that are unissued or reserved for issuance.

The additional shares of Common Stock will be available for issuance by the Board of Directors for various corporate purposes, including but not limited to, raising capital, strategic transactions, including mergers, acquisitions, strategic partnerships, joint ventures, divestitures, business combinations, stock splits and stock dividends, as well as other general corporate transactions, and providing equity incentive grants under employee stock plans. We do not currently have any definitive agreements or arrangements to issue any of the proposed additional authorized shares of Common Stock that will become available for issuance if this proposal is approved.

The amendment to our Certificate of Incorporation will ensure that we will continue to have an adequate number of authorized and unissued shares of common stock available for future use. As is the case with the shares of common stock which are currently authorized but unissued, if this amendment to the our Certificate of Incorporation is adopted by the Company's shareholders, the Board will only have authority to issue the additional shares of common stock from time to time without further action on the part of shareholders to the extent not prohibited by applicable law or by the rules of any stock exchange or market on which our securities may then be listed or authorized for quotation.

Effect of the Proposed Amendment

If the proposed amendment to the Certificate of Incorporation to authorize an additional 50 million shares of Common Stock described above is approved and adopted by our shareholders, we will have the authority under our Certificate of Incorporation to have up to 100 million shares of Common Stock and 5,882,352 shares of preferred stock issued and outstanding. As of the close of business on the Record Date, we had [_____] shares of Common Stock and no shares of preferred stock issued and outstanding. If this proposal is approved, the additional authorized shares may be issued at the discretion of the Company's Board of Directors without further shareholder action, except as may be required by law or the rules of Nasdaq. The increase in authorized shares would not have any immediate dilutive effect on the proportionate voting power or other rights of existing shareholders. However, any subsequent issuance of shares of common stock, other than on a pro-rata basis to all shareholders, would reduce each shareholder's proportionate interest in our company. Any of the additional shares of common stock issued in the future would have the same rights and privileges as attach to the common stock currently authorized and outstanding and the par value of the Common Stock would remain unchanged at no par value per share. Those rights do not include preemptive rights with respect to the future issuance of any additional shares.

The Board of Directors has not proposed the increase in the amount of authorized shares with the intention of discouraging tender offers or takeover attempts of the Company. However, the availability of additional authorized shares for issuance may have the effect of discouraging a merger, tender offer, proxy contest, or other attempt to obtain control of the Company

If the shareholders approve the proposal, the amendment will become effective upon the filing of the Certificate of Amendment to the Certificate of Incorporation as set out above and in [Appendix A](#) with the State Treasurer of the State of New Jersey.

Risks/Impacts of Non-approval

If the proposed amendment to the Certificate of Incorporation to authorize an additional 50 million shares of Common Stock described above is not approved and adopted by our shareholders, our Certificate of Incorporation will not be amended as set forth above and we will continue to have the authority under our Certificate of Incorporation to have up to 50 million shares of Common Stock and 5,882,352 shares of preferred stock issued and outstanding.

Interest of Certain Persons in Matter to be Acted Upon

No officer or director has any substantial interest, direct or indirect, by security holdings or otherwise, in the share increase proposed above that is not shared by all other shareholders.

Vote Required

The affirmative vote of the holders of at least a majority of the Company's issued and outstanding shares of Common Stock entitled to vote at the Special Meeting is required to approve and adopt the proposed amendment to the Certificate of Incorporation to authorize an additional 50 million shares of Common Stock.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE APPROVAL AND ADOPTION OF AN AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION TO AUTHORIZE AN ADDITIONAL 50 MILLION SHARES OF COMMON STOCK AS DESCRIBED IN THIS PROPOSAL I.
