(b) each of the Products will be new (except Products repaired following return) and conveyed by Fastrain to EMCORE with good title, free and clear of all Encumbrances.

(c) EXCLUSION. THE ABOVE WARRANTIES SHALL NOT APPLY TO ANY PRODUCTS WHICH HAVE BEEN MISUSED, DAMAGED, PLACED IN AN UNSUITABLE PHYSICAL OR OPERATING ENVIRONMENT OR MAINTAINED IMPROPERLY BY EMCORE OR CAUSED TO FAIL SOLELY AS A RESULT OF ANY COMPONENT, MATERIAL, PRODUCT OR SERVICE SUPPLIED BY EMCORE (OTHER THAN THE PURCHASED ASSETS, PROVIDED THAT EMCORE HAS NOT BREACHED ANY REPRESENTATION OR WARRANTY MADE IN THE NEW ASSET PURCHASE AGREEMENT); OR ANY PRODUCTS WITH A DEFECT SOLELY CAUSED BY THE DEFECTIVE WRITTEN EMCORE PROPERTY DESIGN. EXCEPT AS PROVIDED IN THIS SECTION, OR IN ANY OTHER PROVISION OF THIS AGREEMENT, FASTRAIN MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE PRODUCTS HEREUNDER, INCLUDING ANY IMPLIED WARRANTIES RESPECTING MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

9.4 Additional Terms. The Product Warranty (a) is in addition to all other warranties, express, implied, statutory and common law, (b) extends to the Products' future performance, (c) survives for the warranty period Fastrain's delivery of the Products, EMCORE's receipt, inspection, acceptance, use of the Products and payment for the Products, and the termination or expiration of this Agreement, (d) inures to the benefit of EMCORE and its successors and permitted assigns, and (e) may not be excluded, limited or disclaimed by Fastrain. EMCORE's approval of Fastrain's materials, processes or similar requirements will not be construed to relieve Fastrain of any warranties, unless the Parties agreed otherwise. Any applicable statute of limitations on EMCORE's claims for breach of warranty will commence no earlier than the date on which EMCORE discovers or ought to discover the breach.

10. Indemnification.

10.1 Indemnification. 11. LIMITATION ON LIABILITY. EXCEPT FOR LIABILITY FOR BREACH OF CONFIDENTIALITY OR INFRINGEMENT OR MISAPPROPRIATION OF INTELLECTUAL PROPERTY RIGHTS, IN NO EVENT SHALL EITHER PARTY OR ITS REPRESENTATIVES BE LIABLE FOR CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE OR ENHANCED DAMAGES, LOST PROFITS OR REVENUES OR DIMINUTION IN VALUE, ARISING OUT OF OR RELATING TO ANY BREACH OF THIS AGREEMENT, INCLUDING ANY LOSS OF PROFITS, LOSS OF USE, DOWNTIME, LOSS OF SALES, LOSS OF FUTURE REVENUE, OR LOSS OF BUSINESS REPUTATION OR OPPORTUNITY, FOR ANY BREACH OF THIS AGREEMENT, REGARDLESS OF (A) WHETHER SUCH DAMAGES WERE FORESEEABLE, (B) WHETHER OR NOT IT WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND (C) THE LEGAL OR EQUITABLE THEORY (CONTRACT, TORT OR OTHERWISE) UPON WHICH THE CLAIM IS BASED, AND NOTWITHSTANDING THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE. 12. Intellectual Property.

12.1 Ownership. Each of the Parties acknowledges and agrees that:

- (a) each Party retains exclusive ownership of its Background Intellectual Property Rights;
- (b) EMCORE does not transfer to Fastrain any of its Background Intellectual Property Rights, and Fastrain may not use any of EMCORE's Background Intellectual Property Rights other than to produce and supply Products to EMCORE hereunder;

(c) Fastrain does not transfer to EMCORE any of Fastrain's Background Intellectual Property Rights, except that Fastrain grants to EMCORE and its customers the right to resell Products or incorporate Products purchased from Fastrain into finished goods and to sell such finished goods to its customers;

(d) all Foreground Intellectual Property Rights will be owned by EMCORE;

(e) Fastrain assigns to EMCORE all of the Fastrain Parties' right, title and interest in and to all Foreground Intellectual Property Rights, and, to the extent that any Foreground Intellectual Property Rights are copyrightable works or works of authorship (including computer programs, technical specifications, documentation, and manuals), the Parties agree that such works are "works made for hire" for EMCORE under applicable copyright Laws; and

(f) The Fastrain Parties shall only use the Foreground Intellectual Property Rights to produce and supply Products to EMCORE.

12.2 Prohibited Acts. EMCORE and the Fastrain Parties shall not:

(a) take any action that interferes with the other Party's Intellectual Property Rights, including such other Party's ownership or exercise thereof;

(b) challenge any right, title or interest of the other Party in such other Party's Intellectual Property Rights (other than as specifically related to one party's indemnification obligation to the other under Section 10.1(e));

(c) make any claim or take any action adverse to such other Party's ownership of its Intellectual Property Rights;

(f) misappropriate any of the other Party's Trademarks for use as a domain name without such other Party's prior written consent; or

(g) alter, obscure or remove any of the other Party's Trademarks or trademark or copyright notices or any other proprietary rights notices placed on the products purchased under this Agreement (including Products), marketing materials or other materials.

13. Confidentiality.

13.1 Scope of Confidential Information. From time to time during the Term, either Party (as the "**Disclosing Party**") may disclose or make available to the other Party (as the "**Receiving Party**") information about its business affairs, goods and services (including any Forecasts), confidential information and materials comprising or relating to Intellectual Property Rights, trade secrets, third-party confidential information and other sensitive or proprietary information. Such information, as well as the terms of this Agreement, whether orally or in written, electronic or other form or media, and whether or not marked, designated or otherwise identified as "confidential" constitutes "**Confidential Information**" hereunder. Confidential Information does not include information that at the time of disclosure and as established by documentary evidence:

- (a) is or becomes generally available to and known by the public other than as a result of, directly or indirectly, any breach of this Section 13 by the Receiving Party or any of its Representatives;
- (b) is or becomes available to the Receiving Party on a non-confidential basis from a third-party source, provided that such third party is not and was not prohibited from disclosing such Confidential Information;
- (c) was known by or in the possession of the Receiving Party or its Representatives prior to being disclosed by or on behalf of the Disclosing Party;
- (d) was or is independently developed by the Receiving Party without reference to or use of, in whole or in part, any of the Disclosing Party's Confidential Information; or
- (e) is required to be disclosed pursuant to applicable Law.

13.2 Protection of Confidential Information. The Receiving Party shall, (x) for three years following the expiration or earlier termination of this Agreement for any Confidential Information that does not constitute a trade secret or (y) for any Confidential Information that constitutes a trade secret, for so long as the trade secret is maintained by the Disclosing Party:

- (a) protect and safeguard the confidentiality of the Disclosing Party's Confidential Information with at least the same degree of care as the Receiving Party would protect its own Confidential Information, but in no event with less than a commercially reasonable degree of care;
- (b) not use the Disclosing Party's Confidential Information, or permit it to be accessed or used, for any purpose other than to exercise its rights or perform its obligations under this Agreement; and
- (c) not disclose any such Confidential Information to any Person, except to the Receiving Party's Representatives or Affiliates who need to know the Confidential

Information to assist the Receiving Party, or act on its behalf, to exercise its rights or perform its obligations under this Agreement.

The Receiving Party shall be responsible for any breach of this Section 13 caused by any of its Representatives. At any time during or after the Term, at the Disclosing Party's written request, the Receiving Party and its Representatives shall, pursuant to Section 6.6(c), promptly return all Confidential Information and copies thereof that it has received under this Agreement. The Parties acknowledge that the Confidentiality Agreement, dated as of April 30, 2021, entered into between EMCORE and Fastrain (the "**Confidentiality Agreement**") remains in full force and effect. For so long as the Confidentiality Agreement remains in effect, in case of any discrepancy or ambiguity between the terms under this Section 13 and those contained in the Confidentiality Agreement, the terms of the Confidentiality Agreement shall prevail.

14. Tangible Property.

14.1 Bailment.

(a) All Equipment and other tangible property of every description, including supplies, materials, machinery, equipment, drawings, photographic negatives and positives, artwork, copy layout, electronic data and other items, furnished by EMCORE free of charge, either directly or indirectly, to Fastrain or any subcontractor to Fastrain in connection with or related to this Agreement, or for which Fastrain has been at least partially reimbursed by EMCORE (collectively, "**Bailed Property**") is and will at all times remain the property of EMCORE and be held by Fastrain on a bailment-at-will basis.

(b) Only EMCORE has any right, title or interest in and to Bailed Property, except for Fastrain's limited right, subject to EMCORE's sole discretion, to use the Bailed Property in the performance of Fastrain's obligations under this Agreement. Fastrain shall not use the Bailed Property for any other purpose. Fastrain shall not commingle Bailed Property with the property of Fastrain or with that of a Person other than EMCORE or Fastrain and shall not move any Bailed Property from Fastrain's premises without the prior written approval by EMCORE. EMCORE may, at any time, for any reason and without payment of any kind, retake possession of any Bailed Property via a prior notice without the necessity of payment to Fastrain, or a hearing or a court order, which rights, if any, are waived by Fastrain. Upon EMCORE's request, Bailed Property will be immediately released to EMCORE or delivered to EMCORE by Fastrain. Fastrain's continued holding of Bailed Property after demand has been made by EMCORE for delivery will impair the value thereof, and, accordingly, EMCORE will be entitled to a court order of possession without any need or proving damages or a bond. To the fullest extent permitted by law, Fastrain shall not allow any Encumbrance to be imposed on or attach to the Bailed Property through Fastrain or as a result of Fastrain's action or inaction, and Fastrain hereby waives any Encumbrance that it may have or acquire in the Bailed Property.

(c) Fastrain acknowledges and agrees that (a) unless otherwise agreed by EMCORE, EMCORE is neither the manufacturer of the Bailed Property nor the manufacturer's agent, (b) EMCORE will bail Bailed Property to Fastrain for the Parties' benefit (if applicable), (c) Fastrain will inspect the Bailed Property and confirm that the Bailed Property is suitable and fit for its intended purposes, of which Fastrain is aware, and (d) EMCORE HAS NOT MADE AND DOES NOT MAKE ANY REPRESENTATION OR WARRANTY WHATSOEVER, EITHER EXPRESS OR IMPLIED, AS TO THE FITNESS, CONDITION, MERCHANTABILITY, DESIGN OR OPERATION OF THE BAILED PROPERTY OR ITS FITNESS FOR ANY PARTICULAR PURPOSE. Notwithstanding the foregoing, if the bailment relationship described in this Section 14.1 is deemed to be a secured financing transaction, Fastrain grants to EMCORE a continuing security interest in any rights or interests it may have in the Bailed Property.

14.2 Tooling Orders.

(a) Fastrain may not charge EMCORE for the cost of manufacturing or procuring any Tooling or other materials used in the production and sale of the Products unless EMCORE agrees in writing, which agreement EMCORE shall not unreasonably withhold, to reimburse Fastrain for Fastrain's actual reasonable costs of manufacturing or procuring such Tooling or other materials (a "**Reimbursement Depreciation**"). Payment for such Tooling or materials will be due only after (a) EMCORE receipt of such Tooling or materials required by EMCORE, which will be conducted at Fastrain's sole cost and expense, (b) EMCORE has successfully conducted a tooling audit in accordance with its requirements, for which it has informed Fastrain before making the Tooling or materials, and (c) Fastrain has provided to EMCORE detailed evidence documenting the actual costs incurred by Fastrain for such Tooling or materials, including copies of any invoice issued to Fastrain by any third party with respect thereto, or any other information reasonably requested by EMCORE with respect to such Tooling or materials (which may include CAD models and drawings) counted. EMCORE shall pay Fastrain only the actual cost of such Tooling or materials, not to exceed the authorized amount, if any, stated in the applicable Reimbursement Depreciation.

(b) Such Tooling or other materials that are subject to a Reimbursement Depreciation provided by EMCORE will become Bailed Property (and title thereto will vest in EMCORE) immediately upon completion of all testing required by EMCORE (provided that EMCORE will not be relieved of its obligation to pay for such Tooling or materials in accordance with the terms of this Agreement) or, if earlier, any payment by EMCORE to Fastrain therefor. Any payments made by EMCORE for Bailed Property are expressly intended by EMCORE to be held for the benefit of any subcontractors or suppliers used by Fastrain to fabricate the Bailed Property that relates to such payments. EMCORE will not pay for any Tooling necessary for the production of sample products unless otherwise provided in the applicable Reimbursement Depreciation.

14.3 Maintenance; Risk of Loss. Fastrain shall bear reasonable risk of loss of and damage to Bailed Property. EMCORE shall, at its own expense, for the benefit of EMCORE, insure all Bailed Property with full and extended coverage for all losses, for its full replacement value, in accordance with the terms of Section 16. As and when it is commercially reasonable to do so, Fastrain shall bear the cost and expense, maintain, repair, refurbish and replace Bailed Property, unless otherwise agreed by EMCORE after good faith discussion. All replacement parts, additions, improvements, and accessories for such Bailed Property will automatically become EMCORE's property upon their incorporation into or attachment to the Bailed Property. All replacements of Bailed Property will also be EMCORE's property. Fastrain shall replace any missing components of or inserts to any Bailed Property.

14.4 Inventory. Fastrain will maintain a written inventory of all Bailed Property that sets forth a description and the location of all Bailed Property, and provide a copy of this inventory to EMCORE upon request. Fastrain shall mark all Bailed Property permanently and conspicuously to identify it as the property of EMCORE, and indicate EMCORE's name during the period of Term. Fastrain shall immediately sign any documents reasonably requested by EMCORE to evidence all of EMCORE's rights to and interests in Bailed Property. Fastrain grants to EMCORE a limited and irrevocable power of attorney, coupled with an interest, to execute and record on Fastrain's behalf any documents with respect to Bailed Property that EMCORE determines are reasonably necessary to reflect EMCORE's interest in the Bailed Property.

14.5 Fastrain's Property. Unless EMCORE otherwise agrees in writing to be liable for related expenses, Fastrain, at its sole expense, shall furnish, keep in good condition, and replace in its sole determination when necessary all Equipment and other items necessary or helpful for the production of the Products (excluding Bailed Property, "**Fastrain's Property**"). Fastrain shall insure Fastrain's Property with full and extended coverage for all losses, for its full replacement value, in accordance with the terms of Section 16.

15. Inspection and Audit Rights. Fastrain hereby grants to EMCORE and its authorized Representatives access to Fastrain's premises used in production of the Products and all pertinent documents and other information about Products, whether stored in tangible or intangible form, including any books, records and accounts, in any way related to Fastrain's performance under this Agreement (including Fastrain's processes and procedures), Products, Bailed Property or any payment or other transaction occurring in connection with this Agreement, for the purpose of auditing Fastrain's compliance with the terms of this Agreement, including Fastrain's charges for Products, or inspecting or conducting an inventory of finished Products, work-in-process or raw-material inventory (other than the information forbidden or restrained by Governmental Authorities or Laws, or related personal information). Fastrain agrees to cooperate fully with EMCORE in connection with any such audit or inspection in necessary scope. Fastrain shall maintain, during the Term and for a period of three years after the Term, complete and accurate books and records and any other financial information. Fastrain shall segregate its records and otherwise cooperate with EMCORE so as to facilitate any audit by EMCORE. Fastrain shall reimburse EMCORE for all additional amounts paid by EMCORE associated with errors

discovered during an audit after confirmation. EMCORE shall pay Fastrain for all lesser amounts paid by EMCORE associated with errors discovered during an audit after confirmation. If reasonably requested by EMCORE, Fastrain shall use its best efforts to permit EMCORE and its Representatives to obtain from subcontractors or other suppliers to Fastrain the information and permission to conduct the reviews specified with respect to Fastrain in this Section 15.

16. Insurance. During the Term and for a period of one year thereafter, Fastrain and any subcontractor performing services under this Agreement shall, at its own expense, maintain and carry in full force and effect commercial general liability insurance (including property insurance), all-risk property insurance covering all of Fastrain's (or the applicable subcontractor's) material Property, including Equipment and inventory, for its full replacement value, with financially sound and reputable insurers. Upon EMCORE's reasonable request, Fastrain (or the applicable subcontractor) shall provide EMCORE with a certificate of insurance evidencing the insurance coverage specified in this Section.

17. Miscellaneous.

17.1 Further Assurances. Upon a Party's reasonable request and after good faith discussion, the other Party shall bear the cost and expense to execute and deliver all such further documents and instruments, and take all such further acts, necessary to give full effect to this Agreement.

17.2 Relationship of the Parties. The relationship between Fastrain and EMCORE is solely that of vendor and vendee and they are independent contracting parties. Nothing in this Agreement creates any agency, joint venture, partnership or other form of joint enterprise, employment or fiduciary relationship between the Parties. Neither Party has any express or implied right or authority to assume or create any obligations on behalf of or in the name of the other Party or to bind the other Party to any contract, agreement or undertaking with any third party who is not a Party to this Agreement.

17.3 Entire Agreement. This Agreement, including and together with any related exhibits, schedules and the applicable terms of any Purchase Orders and the other Transaction Documents, constitutes the sole and entire agreement of the Parties with respect to the subject matter contained herein and therein, and supersedes all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, with respect to such subject matter.

17.4 Survival. Subject to the limitations and other provisions of this Agreement: (a) the representations and warranties of the Parties contained herein will survive for any agreed period the expiration or earlier termination of this Agreement; and (b) rights and obligations arising from Sections 1, 5, 6.6, 6.7, 9.3, 9.4, 10, 11, 12, 13 and 17 of this Agreement, in order to give proper effect to its intent, should survive such expiration or termination, will survive the expiration or earlier termination of this Agreement. All other provisions of this Agreement will not survive the expiration or earlier termination of this Agreement.

17.5 Notices. All Notices must be delivered by personal delivery, nationally recognized overnight courier or certified or registered mail (in each case, return receipt requested, postage prepaid). Notwithstanding the foregoing, solely for the purposes of Sections 3.2, 3.5(b) and 7.1.2, notice by email to an individual designated in writing by the receiving Party (with confirmation of transmission) will satisfy the requirements of this Section 17.5. Except as otherwise provided in this Agreement, a Notice is effective only (a) on receipt by the receiving Party, and (b) if the Party giving the Notice has complied with the requirements of this Section. The exhibits, schedules,

attachments, and appendices referred to herein are an integral part of this Agreement to the same extent as if they were set forth verbatim herein.

17.7 Headings. The headings in this Agreement are for reference only and do not affect the interpretation of this Agreement.

17.8 Severability. If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability does not affect any other term or provision of this Agreement. Upon a determination that any term or provision is invalid, illegal or unenforceable, the Parties shall negotiate in good faith to modify this Agreement to effect the original intent of the Parties as closely as possible in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

17.9 Amendment and Modification. No amendment to, or rescission, termination or discharge of, this Agreement is effective unless it is in writing and signed by an authorized Representative of each Party.

17.10 Waiver.

(a) No waiver under this Agreement is effective unless it is in writing and signed by an authorized representative of the Party waiving its right.

(b) Any waiver authorized on one occasion is effective only in that instance and only for the purpose stated, and does not operate as a waiver on any future occasion.

(c) None of the following constitutes a waiver or estoppel of any right, remedy, power, privilege or condition arising from this Agreement:

(i) any failure or delay in exercising any right, remedy, power or privilege or in enforcing any condition under this Agreement; or

(ii) any act, omission or course of dealing between the Parties.

17.11 Cumulative Remedies. All rights and remedies provided in this Agreement are cumulative and not exclusive, and the exercise by either Party of any right or remedy does not preclude the exercise of any other rights or remedies that may now or subsequently be available at law, in equity, by statute, in any other agreement between the Parties or otherwise.

17.12 Equitable Remedies. Each Party acknowledges and agrees that (a) a breach by such Party of any of its obligations under Section 13 would give rise to irreparable harm to the other Party for which monetary damages would not be an adequate remedy and (b) in the event of a breach by such Party of any such obligations, the other Party shall, in addition to any and all other rights and remedies that may be available to such Party at law, at equity or otherwise in respect of such breach, be entitled to equitable relief, including a

temporary restraining order, an injunction, specific performance and any other relief that may be available from a court or tribunal of competent jurisdiction, without any requirement to post a bond or other security, and with requirements to prove actual damages or that monetary damages will not afford an adequate remedy. Each Party agrees that such Party will not oppose or otherwise challenge the appropriateness of equitable relief or the entry by a court or tribunal of competent jurisdiction of an order granting equitable relief, in either case, consistent with the terms of this Section 17.12.

17.13 Assignment. Each Party may not assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the other Party. Each Party may assign any of its rights or delegate any of its obligations to any Affiliate or to any Person acquiring all or substantially all of the Party's assets after the above written consent approval of the other Party. Any purported assignment or delegation in violation of this Section is null and void. No assignment or delegation relieves the assigning or delegating Party of any of its obligations under this Agreement.

17.14 Successors and Assigns. This Agreement is binding on and inures to the benefit of the Parties and their respective permitted successors and permitted assigns.

17.15 No Third-Party Beneficiaries. Except as expressly set forth in the second sentence of this Section 17.15, this Agreement benefits solely the parties to this Agreement and their respective permitted successors and permitted assigns. The Parties hereby designate each Indemnified Party as a third-party beneficiary of Section 10.1, each EMCORE Party as third-party beneficiaries of Section 9.3, each Fastrain Party as third-party beneficiaries of Section 5.6, each EMCORE Party and Fastrain Party as a third-party beneficiary of Section 5.7, having the right to enforce such Sections. Except as otherwise provided in this Agreement, a person who is not a party to this Agreement shall not have any rights under the Contracts (Rights of Third Parties) Act (Chapter 53B of Singapore) to enforce any term of this Agreement. This does not affect any right or remedy of a third party which exists, or is available, apart from the said act.

17.16 Dispute Resolution. Any dispute, controversy or claim arising out of or relating to this Agreement, or the breach, termination or invalidity hereof (each, a "**Dispute**"), shall be submitted for negotiation and resolution to the General Manager of Fastrain (or to such other person of equivalent or superior position designated by Fastrain in a written Notice to EMCORE) and the SVP, Operations of EMCORE (or to such other person of equivalent or superior position designated by EMCORE in a written Notice to Fastrain), by delivery of written Notice (each, a "**Dispute Notice**") from either of the Parties to the other Party. with, the Laws of Singapore, without regard to the conflict of laws provisions thereof. The Parties agree that the United Nations Convention on Contracts for the International Sale of Products does not apply to this Agreement. Any Dispute arising out of, in connection with or relating to this Agreement, the New Asset Purchase Agreement or the transactions contemplated hereby or thereby, including the existence, validity, interpretation, performance, breach or termination thereof or any dispute regarding non-contractual obligations arising out of or relating to it, shall be referred to and finally resolved by arbitration in Singapore administered by the Singapore International Arbitration Centre in accordance with the Arbitration Rules of the Singapore International Arbitration Centre for the time being in force, which rules are deemed to be incorporated by reference in this clause. The arbitration shall be conducted in English, and the seat of arbitration shall be Singapore. Each party irrevocably submits to the exclusive jurisdiction of such arbitration in any such action, proceeding or dispute.

17.18 Waiver of Jury Trial. Each Party acknowledges and agrees that any controversy that may arise under this Agreement, including any exhibits, schedules, attachments, and appendices attached to this Agreement, is likely to involve complicated and difficult issues and, therefore, where applicable, each such Party irrevocably and unconditionally waives any right it may have to a trial by jury in respect of any legal action arising out of or relating to this Agreement, including any exhibits, schedules, attachments, and appendices attached to this Agreement, or the transactions contemplated hereby. Each Party certifies and acknowledges that (a) no Representative of the other Party has represented, expressly or otherwise, that such other Party would not seek to enforce the foregoing waiver in the event of a legal action, (b) such Party has considered the implications of this waiver, (c) such Party makes this waiver voluntarily, and (d) such Party has been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section.

17.19 Counterparts. This Agreement may be executed in counterparts, each of which is deemed an original, but all of which together is deemed to be one and the same agreement. A signed copy of this Agreement delivered by e-mail or other means of electronic transmission is deemed to have the same legal effect as delivery of an original signed copy of this Agreement, if the party sending such e-mail or other means of electronic transmission has received express confirmation that the recipient party received the Agreement (not merely an automatic email reply).

17.20 Force Majeure. Any delay or failure of either Party to perform its obligations under this Agreement will be excused to the extent that the delay or failure was caused directly by an event beyond such Party's control, without such Party's fault or negligence and that by its nature could not have been foreseen by such Party or, if it could have been foreseen, was unavoidable (which events may include natural disasters, embargoes, explosions, riots, infectious disease, wars or acts of terrorism) (each, a "**Force Majeure Event**"). Fastrain's financial inability to perform, changes in cost or availability of materials, components or services, market conditions or supplier actions or contract disputes and EMCORE's financial inability to perform, market conditions, customer

actions or contract disputes will not excuse performance by Fastrain and EMCORE under this Section 17.20. A Party shall give the other Party prompt written Notice of any event or circumstance that is reasonably likely to result in a Force Majeure Event and the anticipated duration of such Force Majeure Event. Each Party shall use all diligent efforts to end the Force Majeure Event, ensure that the effects of any Force Majeure Event are minimized and resume full performance under this Agreement. During any Force Majeure Event, EMCORE may, at its option (a) purchase Products from other sources and reduce the quantities hereunder by such quantities without liability to Fastrain, and require Fastrain to reimburse EMCORE for any reasonable additional costs to EMCORE of obtaining the substitute goods compared to the Prices for such Products under this Agreement, (b) require Fastrain to deliver to EMCORE all finished Products, work in process or parts and materials produced or acquired for work under this Agreement as are within the capabilities of Fastrain and at the Prices for the Products hereunder or following further negotiation under the premise of capacity, or (c) require Fastrain to provide Products from other sources in quantities and at a time determined by both Parties and at the Prices for the Products hereunder. If requested by either Party, the other Party shall, within 10 days of such request, provide adequate assurances that a Force Majeure Event will not exceed 60 days. If the delay due to the Force Majeure lasts more than 180 days, EMCORE or Fastrain may immediately terminate this Agreement upon written notice to the other Party. The rights granted to Fastrain and EMCORE with respect to excused delays or failure to perform under this Section 17.20 are intended to limit Fastrain's and EMCORE's liabilities under theories of force majeure, commercial impracticability, impracticability or impossibility of performance, or failure of presupposed conditions or otherwise.

17.21 No Public Announcements or Trademark Use. Unless expressly permitted under this Agreement, neither Party shall either:

- (a) make any statement (whether oral or in writing) in any press release, external advertising, marketing or promotion materials regarding the subject matter of this Agreement, the other Party or its business unless:

PRESS RELEASE

EMCORE Announces Transfer of Production Equipment and Overseas Manufacturing Operations from Hytera to Fastrain

As part of the agreement, Fastrain purchased and has paid EMCORE an additional \$1.4 million of equipment not covered under the original agreement with Hytera

Agreement represents a key milestone in the transition of EMCORE's operations from in-house manufacturing in Beijing to an Electronic Manufacturing Services (EMS) model

ALHAMBRA, CA, August 11, 2021 (GLOBE NEWSWIRE) -- EMCORE Corporation (Nasdaq: EMKR), a leading provider of advanced mixed-signal products that serve the aerospace & defense and broadband communications markets, announced today that the equipment sale and manufacturing agreements entered into with Hytera in October 2019 has reached mutually agreed termination by both parties and EMCORE entered into further agreements with Shenzhen Fastrain Technology Co., Ltd. and Hong Kong Fastrain Company Limited (collectively, "Fastrain"), with the term of the new manufacturing agreement with Fastrain extended to December 31, 2025.

In 2019, EMCORE announced the sale of its Cable TV (CATV) production equipment and transfer of its CATV manufacturing operations from the Company's Beijing facility to Hytera Communications (Hong Kong) Company Limited and Shenzhen Hytera Communications Co., Ltd. (collectively, "Hytera"). The sale price for the equipment was approximately \$5.5 million and Hytera used the equipment to manufacture CATV components and subsystems from its facility in Southeast Asia.

With the execution of these new agreements and transfer of production ownership from Hytera to Fastrain, EMCORE will achieve a key milestone in furthering a transition of its CATV business to a variable cost, electronics manufacturing services (EMS) model. The agreement with Fastrain includes the sale of further EMCORE production equipment for approximately \$1.4M, and in addition it will create positive value to both companies while addressing present external global risks and opportunities. These operational changes in CATV will fulfill the objective of enabling the product lines to move forward servicing the market needs with a full portfolio of transmitter and laser offerings.

"Our 2019 agreement with Hytera has played an integral role in the transition to a fully EMS-based model for our Cable TV products. We are very appreciative that Hytera has been with us during this transformation," said Iain Black, Senior Vice President of Operations at EMCORE. "We are extremely pleased to take this new step with Fastrain and are looking forward to many years of success together, with continuing improvements in operational efficiencies and capabilities over the coming quarters," added Mr. Black.
