

EMCORE Corporation to Host Fiscal 2024 First Quarter Conference Call on February 8, 2024

January 31, 2024

ALHAMBRA, CA, Jan. 31, 2024 (GLOBE NEWSWIRE) -- EMCORE Corporation (Nasdaq: EMKR), the world's largest independent provider of inertial navigation solutions to the aerospace and defense industry, will announce its fiscal 2024 first-quarter results for the period ended December 31, 2023, on Thursday, February 8, 2024, after the market close.

Conference Call and Webcast Information

The Company will host a conference call to discuss the results at 2:00 p.m. PT (5:00 p.m. ET) on Thursday, February 8, 2024. President & Chief Executive Officer, Jeff Rittichier, and Chief Financial Officer, Tom Minichiello will provide an overview of the results, discuss current business conditions, and conduct a question and answer session.

To participate in the conference call, click on the following link (ten minutes prior to the call) to register:

<https://register.vevent.com/register/BI0cb1e94665954530a1646c193481d018>

Once registered, participants will have the option of: 1) Dial-In: A dial in number and unique PIN are displayed to connect directly from your phone; or 2) Call Me: Enter your phone number and click "Call Me" for an immediate callback from the system.

The call will be webcast live via the Company's investor website at <https://investor.emcore.com>. Please go to the site beforehand to register and download any necessary software. The webcast will be available on the Company's website for replay beginning Thursday, February 8, 2024, following the conclusion of the call.

About EMCORE

EMCORE Corporation is a leading provider of inertial navigation products for the aerospace and defense markets. We leverage industry-leading Photonic Integrated Chip (PIC), Quartz MEMS, and Lithium Niobate chip-level technology to deliver state-of-the-art component and system-level products across our end-market applications. EMCORE has vertically-integrated manufacturing capability at its facilities in Alhambra, CA, Budd Lake, NJ, Concord, CA, and Tinley Park, IL. Our manufacturing facilities all maintain ISO 9001 quality management certification, and we are AS9100 aerospace quality certified at our facilities in Alhambra, Budd Lake, and Concord.
