As a result of the time necessary to complete the compilation and review of the Company's financial statements, the Company was unable to complete the filing of its Form 10-Q for the quarterly period ended June 30, 2010 by the due date of August 9, 2010, without unreasonable effort or expense. If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

During the quarterly period ended June 30, 2010, the Company expects to report a significant improvement in its results of operations when compared to the prior year period. During the quarterly period ended June 30, 2009, the Company recorded significant adverse charges in its results of operations (in particular, excess and obsolete inventory reserves, provisions for bad debt, severance and restructuring charges) due primarily to adverse changes in the macroeconomic environment. During the quarterly period ended June 30, 2009, the Company incurred a net loss of approximately \$45.4 million, which also included \$27.0 million of non-cash expenses related to the impairment of long-lived assets within the Company's Fiber Optics business segment.
